Hi Danelle

Thanks, I sent u an invite.

Can u also send me the corrections to the table that u discussed and other corrections as well

After I incorporate your comments and complete the WoE section of the document, I will send u the FINAL version hopefully Monday (or early Tuesday)

Can u kindly review and send your comments and can u do that by end of the week.

Thanks a million for all your help

Regards

JR

Hi Jess,

I am out of the office today. I will send to you first thing Monday AM. Can you send me an invite for Monday morning to send to you? That way when I get in Monday morning it will pop up the moment I log into email.

Hi Danelle

Hope u had an easy trip back.

I started working on the final report

Is there any chance you can send me a brief summary of the epi conclusion. The rationale for CARC determination of “incontroclusive” and capture the major limitations of the studies.

Management wants this report out on Monday since we are all going to be teleworking next week Tue-Thursday due to the Papal visit

Sorry to trouble you

Thanks
